

September 7, 2011

Dear Parents:

The school has purchased some Kindles (e-readers) that students in 5th – 8th grades will be able to check out from the library. The students will be able to download books at school with no cost to you.

The students must meet certain criteria in order to check out a Kindle unit. The criteria includes: reading two books and writing a book report for those two books, no detentions, less than 3 zaps and teacher recommendation.

When your child meets these criteria, you will be asked to sign a permission slip in order for your child to check out one of the Kindles.

If you have any questions, please contact Mrs. Williams or Mr. Brooks at 348-3695.
