Kindergarten

******Please read this all the way to the end.******

This is what our emergency day plan will be. It is set up a little differently than the typical remote day plans we used in the fall, so please be sure to check the times your child will be asked to be online. Please try to set an alarm/reminder on your phone for your child's designated google meets times.

9:00-9:30- Your child will be expected to be online logged into google meets, and ready to work at 9am. This will be when we are going over our calendar, and activities for the day.

9:35-10:05- PE videos

10:10-10:40- Log into google classroom, select the topic Reading, and follow instructions for the reading activities for the day.

10:45-11:15- Log into google classroom, select the topic Math, and follow the instructions for the math activities for the day.

11:20-11:50- This time is designated for small group work. Please find your child's name below to see what time they will need to be logged into google meets for live small group instruction with me. (When your child is not logged in, and working with me live, please have them review letters, numbers, and sight words.)
